Subject: SmithAmundsen representation of Wilton Township [IWOV-Active.FID567423]

Ray-

You asked that I forward some information to you about myself and my qualifications to provide representation to Wilton Township. As you know I have been providing you, as the Road Commissioner some assistance for some period of time now. I have provided legal advice re: some employee issues, provided citations and information re: the township and road district statutory provisions, settled road damage claims (Explorer pipeline) and have been available to discuss various other issues with you by telephone. My firm is a large firm with many offices and with numerous capabilities for client representation. We do have a municipal practice group as well as an extensive labor and employment practice. My particular specialty is litigation, primarily Agribusiness and some mixed general litigation. I have experience with contract review and preparation and utility easement negotiation. I have also dealt with many drainage issues in several counties including presenting drainage issues to a village board. If there is some area/question that I cannot address with my skill set, I have access to approximately 170 other lawyers firm wide.

Also, I was a township trustee for 8 years in Ogle County. Therefore, I am very familiar with the township board, the procedures and issues addressed on a monthly basis at township meetings. Our firm's website link is below. Also, my biography is located within the "Attorneys" tab within that link. Just go to my name. If you need an actual hard copy of my biography, let me know. My rate for general representation is \$275/hr. Some partners in our firm, in particular those in the Labor and Employment sector bill in the area of \$300 to \$350/hr. So in general, our fee structure would be in the area of \$275/hour to \$350/hr. We also use paralegal and associates depending on the matter and in an effort to keep our client's cost down. Paralegals would bill at \$150/hr. and Associates at \$200/hr.

Let me know if you have any other questions concerning representing Wilton Township.

Chapter 60. Townships (Refs & Annos)

Act 1. Township Code (Refs & Annos)

Article 130. Township Cemeteries

60 ILCS 1/130-10

1/130-10. Cemetery board of managers; appointment; powers; organization

Currentness

§ 130-10. Cemetery board of managers; appointment; powers; organization.

(a) If a township owns or controls a cemetery lying within or without, or partly within and partly without, the territory of the township, the township collector may appoint a board of 3 persons who shall be known as the cemetery board of managers. Board members shall hold their office for a period of 2 years or until their successors are appointed.

(b) The cemetery board of managers may receive in trust, from the proprietors or owners of any lot in the cemetery or any person interested in the maintenance of a lot, any gift or legacy of money or real, personal, or mixed property having a value of \$50 or more that may be donated to the board of managers for the use and maintenance of the lot or cemetery. The board of managers may convert the property into money, invest the money as provided by motion of the township, and apply the income perpetually for the care of the cemetery lot or the care and maintenance of the cemetery, as specified in the gift or bequest and as provided by motion of the township. Every gift or legacy for any purpose mentioned in this Section made to a cemetery by its name, if the cemetery has a board of managers appointed under this Section, shall vest in the board of managers and take effect to all intents and purposes as if made to that board. The gift or legacy shall not fail merely because the cemetery is not incorporated.

(c) The board of managers, as soon as may be convenient after their appointment, shall meet and organize by selecting one of their number to be president and another of their number to be clerk of the board. The board also shall select a treasurer of the board, who may or may not be one of their number and who, before entering upon the treasurer's duties, shall execute a bond to the People of the State of Illinois for the use of the board of managers in a penal sum not less than double the value of the money or property coming into his or her possession as treasurer, conditioned for the faithful performance of his or her duties and for the faithful accounting for all property that, by virtue of the office, comes into the treasurer's possession. The bond shall be in a form and with sureties approved by the township collector and shall be approved and preserved in the same manner, as near as may be practicable, as is the bond of the treasurer of a village.
