Gynith Borden reported the Annual Financial Report is filed and everything checked out with the accountant. The Community Building Managers informed her the furnace has been fixed and should be working properly. She stated there is talk about a resident having a grow facility once the new law goes into effect. Will County Board will be taking a vote to see if they will be allowing these facilities. If they vote yes, we will have to support or get an attorney. It is slated as an agricultural business, so there will be no tax dollars to the township, it would be comparable to a greenhouse. Gynith posed the question if the board would like to support or oppose such a business in the township and everyone agreed to wait and see what position the Will County Board takes.
